

WHEN EVERY WORD COUNTS

INTERACTIVE INTERNAL COMMUNICATIONS TRAINING & WORKSHOPS

Whether you are a CEO or a trainee, communications is a fundamental part of every role in a business. Effective communication can drive your business forward, but ineffective communication can hold you back.

Our expert team has worked with individuals and businesses of all shapes and sizes from across the globe. Let us bring our learnings – our **uncommon sense** – to you and your organisation. We provide your people with the necessary skills and give them the confidence to ensure that they make every word count.

THE CORPORATE CONVERSATION

Evaluate and stress test your existing approach to internal communications. *Programmes available for C-suite, Division and Department leads/Heads of and Communications and HR professionals.*

THE ART OF COMMUNICATION

Empower your middle managers with the skills required to ensure message alignment from the top of your organisation to the bottom. *For mid-level people managers.*

INTERNAL COMMS 101

Introduce those outside of Communications to why internal communications is important and how it fits into their role. *For non-Communications professionals.*

DON'T JUST TAKE OUR WORD FOR IT...

“The Hanover team are experts in people. They know how to deliver corporate messages to distinctive groups within our business, appreciate the sensitivities and nuances around internal communications, and function seamlessly as part of our team.”

Phil Maher

Executive Vice President of
Operations at Virgin Atlantic

“It was an absolutely fantastic development programme to run with our teams. I wouldn't hesitate to recommend it to any business reviewing their communication both internally and out.”

Annalea O'Halloran

HR Business Partner at
Lucozade Ribena Suntory
